Our Distinctive Christian School Values are :
Success Endurance Compassion Community Justice Equality Respect Hope

Our Christian Value for this half term is **EQUALITY**

Equality is about valuing our diversity, which is about ensuring individuals or groups of individuals are not treated differently, on the basis of their specific protected characteristic, including areas of race, gender, disability, religion or belief and age. Diversity aims to recognise, respect and value people's differences to contribute and realise their full potential by promoting an inclusive culture for all.

FAMILY VALUES COLOUR TEAM POINTS

Design and draw a fish on A4 paper or card including your name on the fish. Make your fish as unique as you and think about what equality means whilst you are drawing and colouring. Your fish will join the display board in the library.

'We may all be different fish but in this school we all swim together'

As a school we will be learning about equality and diversity through collective worships and class discussions :

As we explore it with the children, we will discuss respect and fairness, diversity in our society, considering our similarities and differences, and the implications of prejudice and discrimination.

We can promote equality and diversity by:

- treating all fairly
- creating an inclusive culture for all
- opportunities for all to fully participate in learning
- enabling all to develop to their full potential
- equipping all with the skills to challenge inequality and discrimination
- making certain that any learning materials are accessible to all

Diversity
Is about
Valuing
Everyone
Regardless of their
