## Farms and Farming - Summer 2017

Dear Parents/Carers,

This term we will be learning about farms and farming - a topic, incorporating History, Science, Geography, English, Music, Art and Design Technology.

We would like the children to choose **three** ideas from the list below. They can choose what they do and how they present it but we are looking for creative, imaginative and **quality** work.

### Activities

Make a hand puppet of a farm animal - write the instructions of how to make it.

Write a story that is set a farm.

Collect food labels and show on a map where they came from.

Draw a picture of an adult and baby farm animal e.g. cow and calf, sheep and lamb.

Make a **small** model of a farm and label the buildings.

Write a fact file about a farm in another country.

Write a description of how rice grows.

Learn a 'farming' poem by heart and perform it to the class.

Make a game that can be played by 2 or more players based on a farm.

Make a list of collective nouns of farm animals e.g. herd of cows, flock of sheep.

Thank you. Have fun creating.

Mrs Gill Joyce
