

Rosewood Class Homework Projects

Pets and Vets - Autumn 2017

Dear Parents/Carers,

This term we will be learning about pets and vets - a topic, incorporating PSHE, Science, Geography, English, Music, Art and Design Technology.

We would like the children to choose **three** ideas from the list below. They can choose what they do and how they present it but we are looking for creative, imaginative and **quality** work.

Activities

Make a hand puppet of a pet - Y1 write the instructions of how to make it.

Write a simple story that has a pet as its main character.

Draw a picture of your favourite pet.

Make a **small** model of an animal home e.g. kennel for a dog.

Write a fact file about different breeds of dog.

Make a poster of how to look after a pet.

Learn a poem about a pet by heart and perform it to the class.

Make a 'pet match' game that can be played by 2 or more players.

Make a 1-20 pet number line.

Thank you and have fun creating.

Mrs Gill Joyce - Rosewood Class Teacher
